With over 4 years of professional experience in full stack development and UI/UX design, I have successfully built and delivered diverse web and mobile applications. I thrive in collaborative environments, working closely with cross-functional teams across technology, design, and business. I am also expanding my knowledge in MERN stack development to further enhance my capabilities.

Experience | Accolade Tech Solutions Pvt Ltd

State Dental Council

Team Lead

Apr 2024 – Sep 2024

- Managed full project life cycle, including requirement gathering, analysis, development, deployment, and maintenance, ensuring project deadlines were consistently met.
